### Significant updates from Version 2

There are a number of minor and technical amendments to Schedule 2 of the Anti-Money Laundering and Countering Financing of Terrorism (Requirements and Compliance) Regulations 2011 (the Regulations). The proposed amendments do not make substantive changes to the Regulations or the AML/CFT regime. Rather, the proposed amendments:

- a) clarify which information entities need to provide, to improve the quality of information provided in annual reports, and
- b) ensure descriptions are consistent with the Financial Markets Conduct Act 2013 (FMC Act) which came into effect in 2014, and
- c) correct drafting errors.

---	--	----	-----------------------------

The annual report is required by section 60 of New Zealand's [Anti-Money Laundering and Countering Financing of Terrorism Act 2009](#) ('the Act'). The annual report applies to activities that are covered by the Act.

One form must be completed for each reporting entity. Reporting entities that are eligible members of a DBG (Designated Business Group) may allow another member of the DBG to complete **Part Two** (Questions 4-5) on their behalf. However, they must still complete a form.

The information required is for the **12-month period from 1 July to 30 June** in each year (reporting period), or alternatively, as at the end of the reporting entity's most-recent full financial year (if this has been specified in a particular question).

You may submit your annual report **any time from 1 July, but by no later than 31 August** following the reporting period. Use the secure electronic uploading facility provided at the following [link](#). If, for whatever reason, you are unable to complete or upload your annual report, please contact us well before the 31 August deadline at [aml@fma.govt.nz](mailto:aml@fma.govt.nz).

You only need to provide details on revenue associated with products or services that are covered by the Act during the reporting period. If you are unsure whether your activities should be reported, or whether the Act applies to your business, or who your organisation's AML/CFT supervisor is, please contact us.

This user guide is for information only, and cannot be used to comply with the requirements of the Act. It does not constitute legal advice and must not be used as such. After reading this guide, if you do not understand any of your obligations you should contact your AML/CFT supervisor or seek professional advice.

Please ensure the information provided in your report is accurate. **It is an offence to knowingly supply information that is false or misleading in any material respect without reasonable excuse.**

Before you begin:

- Please complete all relevant sections.
- Please avoid including aggregated information, such as consolidated data for a group of reporting entities. Each reporting entity's unique data is required (except where information for a DBG may be provided as indicated in the Note in Part 2).

Only reporting entities need to complete an annual AML/CFT report. The Act describes those who need to comply as 'reporting entities'. Please refer to section 5 of the Act and the Anti-Money Laundering and Countering Financing of Terrorism (Definitions) Regulations 2011 ('Regulations') to determine whether you, or your business, is a reporting entity under the Act.
