## **Minimum standards of audit experience/workload**

Please provide the following:

1. A list of your issuer audits and your role on those audits.
2. Analysis of your most recent relevant experience, including the number of hours by year, the name of the issuer or overseas issuer (and of any exchange on which it is traded, if applicable), and the nature of your role in the audit.
3. A brief description of your experience since becoming a responsible individual (or for the last 5 years if shorter, with any comment on the years prior to that). The description can refer to the analysis of issuer audit experience provided below. The description should broadly explain the scope of experience during the period, the types of roles undertaken and comment on the relevance to issuer audits.
4. Explanation of your overall role and workload, including the number of audits, overseas issuer audits and issuer audits. The explanation should estimate the time spent on audits, overseas issuer audits and issuer audits for the past year and comments on any known changes for the coming year.
